To Whom It May Concern,

This is to certify that Samrat Pipe Industries is providing some part of our purchase and sales data to Suyamoon Pathak for the purpose of academics. The data provided by me is real, up to my knowledge, and the student promises us that he will use this data solely for the purpose of academics, and the use of this data outside academics does not own any credibility.

Samrat Pipe Industries issues some of the purchase, sales, inventory, and marketing data to Suyamoon Pathak, who is claiming himself as a student of the Indian Institute of Technology, Madras. This data is issued against the authorization letter produced by the Institute (attached here).

Sincerely,

Chirag Joshi
